

TEAM CONTRACT

[],[],AND WILL OURSLER

1. GOALS

As a team we want to get an A grade. We would also like to have a reasonable code base, and ideally one that is easily repurposable for future similar project.

2. CZUO'S GOALS

3. TOYK2A'S GOALS

4. WOURSLESLER'S GOALS

If possible, I think it would be pretty cool if our grammar was loaded from file, but that's a pipe dream.
